Highland Square

Highland Square is led by Elissa Hock-Wimmer on piano, and has its origins in the SCD music group The Music Makars. Fred Mamula (fiddle) and Jack Lindberg (flute/whistle/banjo) formed an integral part of The Music Makars for many years. Elissa was mentored by Etienne Ozorak and played piano for The Music Makars. Arthur McNair (Accordion) learned to play accordion while listening to the special Etienne Music Makars sound. Each member contributes a unique sound and musical flavor to all the Scottish country dance sets, bringing an energy and beauty to the music and dance floor.

Pamela Stephens

Pam Stephens' first experience with SCD was doing Mairi's Wedding in an international folk dance group many years ago. Her interest piqued, she found a SCD "class" - a group that danced on a cement floor in a garage once a month! Fortunately, the floors she has danced on since then have improved, allowing her love affair with both the music and the dance to continue. Pam obtained her teacher's certificate in 2001, and currently lives in North Carolina where she dances and teaches with the Durham-Chapel Hill Scottish Country Dancers. She believes good teamwork makes SCD a joy!

Washington, PA

Our Highland Ball will again take place in the elegant ballroom of The George Washington Hotel in Washington, PA. There is a spacious wooden dance floor and a balcony overlooking the length of the ballroom where spectators can relax, enjoy the music, and have a wonderful view of the lines of dancers moving together. A large fireplace and crystal chandelier contribute to the feeling of old-fashioned elegance.

We have reserved a block of rooms until March 2nd, 2018 at the nearby Hampton Inn. There is a special rate of \$90+tax per night for a room with two double beds, with full breakfast. Refer to "Pittsburgh Scottish Dancers" to get this rate.
