--	--

If this is your first time doing Scottish Country Dance:

- Wear clothes in which you can move around comfortably.
- Be prepared to sweat: SCD is an aerobic activity!
- Wear comfortable soft-soled shoes. Hard-soled street shoes are difficult to dance in and can hurt other dancers.
- Be on time. Warm-ups begin promptly at 7.
- Expect to dance with someone you don't know. We encourage beginners to dance with more experienced dancers as they're getting the hang of the dance.
